Picture-perfect with main-level living and spacious finished basement making this home so amenable to many buyers. The main level has a beautiful kitchen with quartz counter tops, stainless appliances and tons of cabinets with an eat-in kitchen area, vaulted living/great room and separate dining room overlooking the eastern views. Three bedrooms and two full baths are on the main along with the laundry room, separate light-filled office/flex space and 2-car garage with tons of storage. The finished basement includes a large den/family room offering endless possibilities along with a full bathroom, spacious bonus room and ample storage in addition to an over-sized 2-car garage with separate workshop area and gas space heater. Generator with external connection outside main level garage is an added peace of mind. Enjoy gas unvented fireplaces, one on main and one in the basement to stay cozy on those chilly nights as well as the outdoor firepit on the main-level side deck listening to nature and seeing the occasional deer. At only 15 minutes from Asheville, you will have the best of both worlds.
